Another Hemer Reunion in the Works!!

YES!, finally plans for another Hemer Reunion are underway. The last Reunion started over several pitchers of beer and this one, over a few bottles of wine and a fine dinner at Debbie Little's House. At present, we are trying to get our mailing list up to date by sending you this short newsletter. As you can imagine it costs a pretty penny to get one of these out to the approximately 300 names on our list and it really bites to get a lot returned because people have moved. So get the WORD out and write us with new addresses and phone numbers. See Sally Reiman, we did hear your annual question, "WHEN IS THE NEXT *\$@!* REUNION?"

Our projected date for the Reunion is 2001, ten years after the last. The 1970 Grad Class will be turning 50! We are asking for your feedback in whether to have the Reunion at the end of Stampede (the second week of July) or the August long weekend (please fill in the form at the end of the newsletter). Unfortunately, Ottawa wasn't able to arrange the Reunion as planned because of personal and logistical reasons, so we've picked up the slack. Estimates at present run to \$100/person for functions on Friday night, Saturday night and maybe Sunday afternoon, a little less ambitious than last time.

Also, we would ask the teachers to forward names and addresses to add to our list so perhaps they can join us again. A Website is in the works and we will forward that information to you as soon as we have it.

We're definitely relying on the volunteer spirit of the Calgary Alumni to join the Reunion Committee so please call Chris with your current home and business phone numbers. In the early fall, we will be having a Calgary "Mini Reunion" to set up the committees and plan the actual schedule of events.

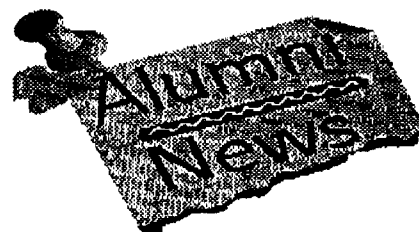

Left to Right: Corey, Chris, Marcelle, Dave, Bonnie and Ed.

The mailing address will continue to be:

Believe it nor not, BLAIR and LILA PETTIS celebrated the birth of their first child, a daughter, Lindsay. D E B B I E LITTLE'S Reunion baby, Colin, is already 5 years old. Some of us have

become grandparents, TWYLA BLAIR for one, MYSELF for another, and JULIE FIDDLER. Still others have opted to try single life again. Among them are CAROLYN STONE, MONA MCELVENEY, TINA HATTON, DAVE FIDLER, DEBBIE LITTLE, RICK MORRIS, AND MAXINE MOORE.

Then we have those gluttons for punishment who are getting married again: CORY MCTAGGART who married longtime love Al and are the proud parents of 2 dogs; NORRIS PETTIS who married new love Holly and now resides in the Mid East. VAL FIDLER, happily co-habiting with a new love. A lot of the alumni have

been moving around. BONNIE TUPPER is back in Tripoli. She took a side trip to Werl but was unable to find Hemer! MARCELL MARQUIS left Montreal and joined the Anglophones in Toronto. A nasty home invasion probably had more than a little to do with it. MIKE VERGE is living full time in the Pacific Rim, Singapore, I believe. TERRY BARRATT called in from Vancouver, that man never seems to keep still. NANCY REIMAN moved from Arizona to California and GEORGE PROUSE joined us here in Calgary. MIKE MCTAGGART has just finished his 2nd tour of Bosnia and is STILL trying to get his kids out the door. ED HOOD also moved to Calgary from Cochrane so we hope to see more of him.

Some odds and ends, DARYL FINNIGAN has started his own business in Oil Product Recycling and is doing very well. GARY TOWNSEND changed careers and is now with Greyhound. MR. HERBERT is wonderful at keeping in touch and though his beloved wife is now in a nursing home he is still at home and is as involved

with the committee as ever. And Thanks must be said to a higher power and a generous young person who donated his heart so MR. DICK SADOWAY is still with us and his loving family.

With that happy note folks, we again ask you to update your addresses and phone numbers with us, and let us know what is going on with you so we add you to our Alumni News column. We'd love to add new names to our list so if you know of anyone who is not receiving our newsletter or has moved since the last reunion, please let us know.

Special thanks to Debbie Little for all her computer work and to Cory McTaggart for getting the budget going.
